Subject:

Dear Ms. Anderson:

As specified in the Memorandum of Understanding between EPA, Region

III

and the DNREC, attached is a "draft/proposed" significant permit modification for Permit AQM-003/00111-Renewal 1(Revision 1) for Delaware Solid Waste Authority's (DSWA's) Cherry Island Landfill, located at 1706 E. 12th Street, Wilmington, Delaware, together with DNREC's Technical Memorandum, and a copy of the required public notice. Please note the public comment period ends on October 6, 2009. DNREC requests concurrent review of DSWA's "draft/proposed" significant permit modification. Comments may be submitted for the "draft/proposed" significant permit modification on or before October 21, 2009.

Sincerely,

Shaikh A. Tayeb, Ph.D., P.E.
